

# M.E.A.D Analysis Data Report

MedPex Enterprises Ltd.  
Medical R&D Center

Medpex M.E.A.D. Version: 6

Measurement Date: 2/16/2024 : 6:42:31 PM

No: 08202016

Name: [REDACTED]

Gender: Female

D.O.B: 8/20/2016 (7.5)

Address:

Tel No:

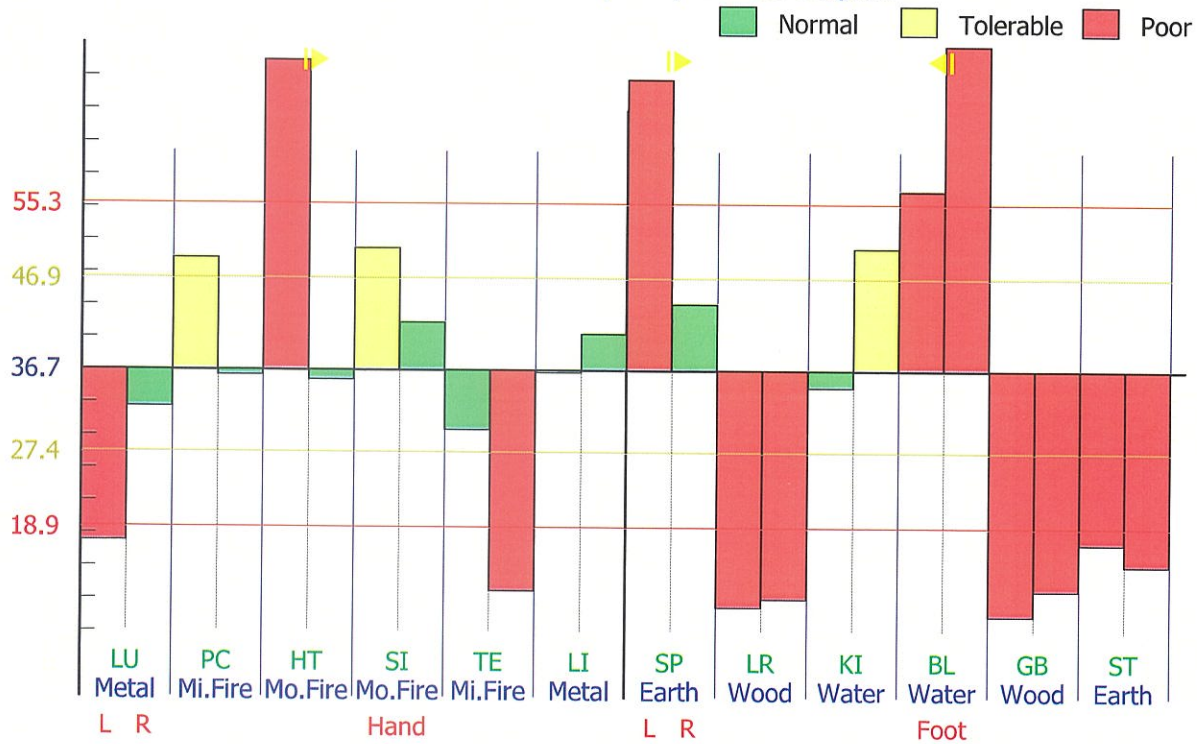

M.Age: 7.5

Measuring potential: Normal potential (normal method)

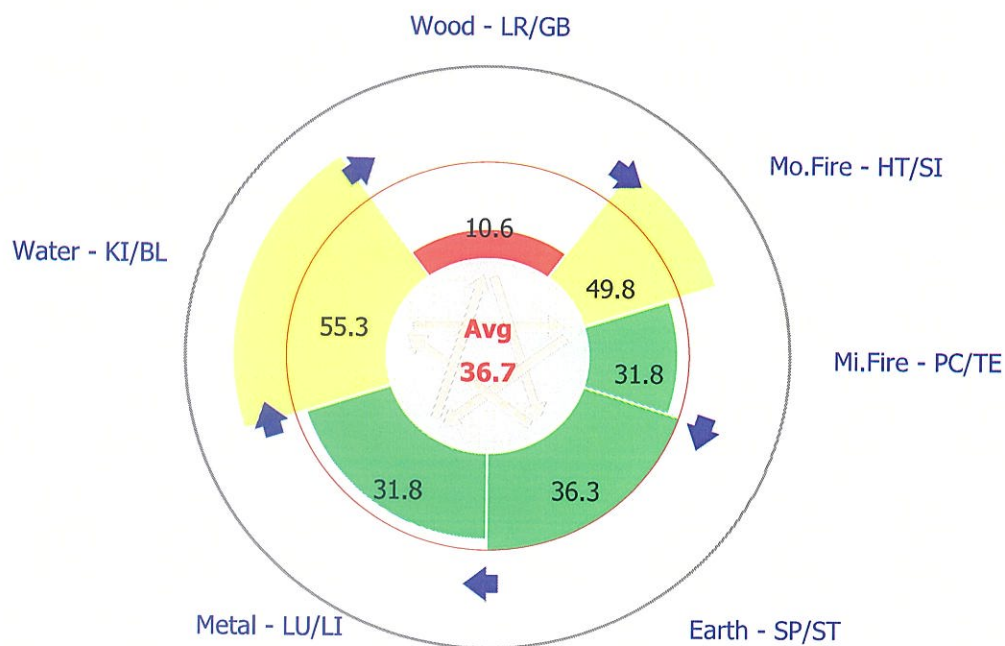

Unit: uA

Meridian Excess-Deficiency Analysis iV Bar Diagram

## Five Elements Analysis With Yin-Zang And Yang-Fu Integrated

E.C.I.:

36.3

Body Energy:

36.7 (28 - 61)

Body energy and primordial Qi are normal.

Ratio of mental state: Up 37.8 / Down 34.1 = 1.11 (0.78-1.09)

Qi-Blood is slightly excessive in upper-jiao; There is a slight mental stress.

musculoskeletal systems: Left 37.7 / Right 34.2 = 1.10 (0.88-1.14)

Qi-Blood is balanced and the musculoskeletal system is functioning normally.

Metabolism function: Yin 38.5 / Yang 33.4 = 1.15 (0.82-1.24)

Yin and Yang are balanced and body metabolism is normal.

Function of autonomic nerve: Hi 46.0 / Low 27.7 = 1.66 (1.0-1.5)

Autonomic nervous system is slightly imbalanced.

Analysis of meridian energy \*\*For Medical Research and Reference Only\*\*

[ 1 ]State of body energy

[Average body energy is normal]

[ 2 ]State of mental stress

[Mental State Shows Imbalance]

[ 3 ]Musculoskeletal system

[The musculoskeletal system works well]

[ 4 ]Metabolism of the body

[Metabolism of the body is normal]

[ 5 ]Function of autonomic nerve

[Autonomic Nerve Function is Abnormal]

[ 6 ][Liver Meridian Atypical]

[Deficiency syndrome of Liver Meridian]

1. Red or tearing eyes.
2. Skin looks dark.
3. Lassitude and fatigue.
4. Feeling of vertigo after standing a long time.
5. Low sexual drive.

[ 7 ][Bladder Meridian Atypical]

[Excess syndromes of the Bladder Meridian]

1. Frequency of urination.
2. Stiffness and pain of muscle on the back.
3. Aching neck pain.
4. Headache (especially when defecating)
5. Vertigo, headache.

[ 8 ][Gallbladder Meridian Atypical]

[Deficiency syndrome of the Gallbladder Meridian]

1. Abnormal feeling of cold, vertigo.
2. Gray and dimmish skin, lack of sheen.
3. Eyes look yellow or red.
4. Visual disturbance.
5. Difficulty breathing.
6. Weakened strength.

[ 9 ][Stomach Meridian Atypical]

[Deficiency syndrome of the Stomach Meridian]

1. Flatulence.
2. Anorexia (poor appetite).
3. Abdominal pain after eating, loose stool or nausea.
4. Lassitude and weakness in lower extremities.
5. Hypoacidity, weak digestive function.

Protocols of points and herbs \*\*For Medical Research and Reference Only\*\*

#### [ 1 ][Liver Meridian Atypical]

##### [Deficiency syndrome of Liver Meridian]

##### \* Acupuncture Point Prescriptions \*\*

1. The combination of Mother-Father points (reinforce Mother, then reduce Father): reinforce Qu Quan (LR8), reduce Zhong Feng (LR4); reinforce Yin Gu (KI10), reduce Jing Qu (LU8).
2. Hui-Influential point and Xi-Cleft point combination: Zhang Men (LR13), Yang Ling Quan (GB34), Zhong Du (LR6).
3. Shu-point and Mu-point combination: Gan Shu (BL18), Qi Men (LR14).
4. Yuan-Source point and Luo-Connecting point combination: Tai Chong (LR3), Guang Ming (GB37).
5. The combination of Husband-Wife points: Yang Gu (SI5), Jing Qu (LU8).
6. Select points from the imbalanced meridian: Tai Chong (LR3), Xing Jian (LR2), Da Dun (LR1), Qi Men (LR14), Zhang Men (LR13), Zhong Feng (LR4).
7. Reinforce and reduce method: Yang Gu (SI5), Jin Qu (LU8), Qu Quan (LR8), Tai Chong (LR3).

#### [ 2 ][Bladder Meridian Atypical]

##### [Excess syndrome of Bladder Meridian]

##### \* Acupuncture Point Prescriptions \*\*

1. The combination of Father-Son points (reinforce Father, then reduce Son): reinforce Wei Zhong (BL54), reduce Shu Gu (BL65); reinforce Zu San Li (ST39), reduce Zu Lin Qi (GB41).
2. Hui-Influential point and Xi-Cleft point combination: Zhong Wan (RN12), Jin Men (BL63).
3. Shu-point and Mu-point combination: Pang Guang Shu (BL28), Zhong Ji (RN3).
4. Yuan-Source point and Luo-Connecting point combination: Jing Gu (BL64), Da Zhong (KI4).
5. The combination of Husband-Wife points: Shao Fu (HT8), Zu Tong Gu (BL66).
6. Selecting points from the imbalanced meridian: Pang Guang Shu (BL28), Shen Shu (BL23), Qi Hai (RN6), Guan Yuan (RN4).
7. Reinforcing and Reducing method: Zu Tong Gu (BL66), Zhi Yin (BL67), Yu Ji (LU10).

#### [ 3 ][Gallbladder Meridian Atypical]

##### [Deficiency syndrome of Gallbladder Meridian]

\* Acupuncture Point Prescriptions \*\*

1. The combination of Mother-Father points (reinforce Mother, then reduce Father): reinforce Xia Xi (GB43), reduce Zu Qiao Yin (GB44); reinforce Zu Tong Gu (BL66), reduce Shang Yang.
2. Hui-Influential point and Xi-Cleft point combination: Zhong Wan (RN12), Wai Qiu (GB36).
3. Shu-point and Mu-point combination: Dan Shu (BL19), Ri Yue (GB24).
4. Yuan-Source point and Luo-Connecting point combination: Qiu Xu (GB40), Li Gou (LR5).
5. The combination of Husband-Wife points: Yang Gu (SI5), Jing Qu (LU8).
6. Select points from the imbalanced meridian: Zu Lin Qi (GB41), Ri Yue (GB24), Yang Fu (GB38), Jing Men (GB25), Yang Ling Quan (GB34), Qiu Xu (GB40).
7. Reinforce and reduce method: Yang Gu (SI5), Yang Fu (GB38), Jing Qu (LU8), Qiu Xu (GB40), Yang Ling Quan (GB34).

[ 4 ][Stomach Meridian Atypical]

[Deficiency syndrome of Stomach Meridian]

\* Acupuncture Point Prescriptions \*\*

1. The combination of Mother-Father points (reinforce Mother, then reduce Father): reinforce Jie Xi (ST41), reduce Xian Gu (ST43); reinforce Yang Gu (SI5), reduce Zu Lin Qi (GB41).
2. Hui-Influential point and Xi-Cleft point combination: Zhong Wan (RN12), Ge Shu (BL17), Liang Qiu (ST34).
3. Shu-point and Mu-point combination: Wei Shu (BL21), Zhong Wan (RN12).
4. Yuan-Source point and Luo-Connecting point combination: Chong Yang (ST42), Gong Sun (SP4), Da Bao (SP21).
5. The combination of Husband-Wife points: Zu San Li (ST36), Yin Gu (KI10).
6. Select points from the imbalanced meridian: Zu San Li (ST36), Shang Ju Xu (ST37), Nei Ting (ST44), Liang Men (ST21), Chong Yang (ST42).
7. Reinforce and reduce method: Zu San Li (ST36), Yin Gu (KI10), Jie xi (ST41), Wei Shu (BL21), Chong Yang (ST42).

Health food and dietary regimen

[ 1 ][Liver Meridian Atypical]

[Dietetic therapy for the Liver Meridian]

\*\*This kind of dietetic therapy is as same as that of Gallbladder Meridian.

Healthy foods for the Liver Meridian:

Grape, banana, plum, tomato, lichee, lotus root, horse bean, leek, mushroom wheat, crab, beef, venison, chicken, kelp.

[ 2 ][Bladder Meridian Atypical]

[Dietetic therapy for the Bladder Meridian]

Healthy foods for the Bladder Meridian:

Watermelon, gourd, pea, cucumber, cabbage, celery, mung bean, lettuce.

[ 3 ][Gallbladder Meridian Atypical]

[Dietetic therapy for the Gallbladder Meridian]

\*\*This kind of diet therapy is as same as that of the Liver Meridian

Healthy foods for the Gallbladder Meridian:

Peanut, sesame, walnut, hawthorne, grape, banana, plum, tomato, litchi, lotus root, bean, leek, mushroom, wheat, crab, beef, venison, chicken, kelp.

[ 4 ][Stomach Meridian Atypical]

[Dietetic therapy for the Stomach Meridian]

Healthy foods for the Stomach Meridian:

Pineapple, persimmon, cantaloup, squash, lichee, lemon, orange, pear, peach, apple, tangerine, tea, green tea, fennel, celery, coriander, edible tree fungus, rice, millet, sorghum, corn, blue fish, beef, cow's milk, goat's milk, bean, buckwheat.
